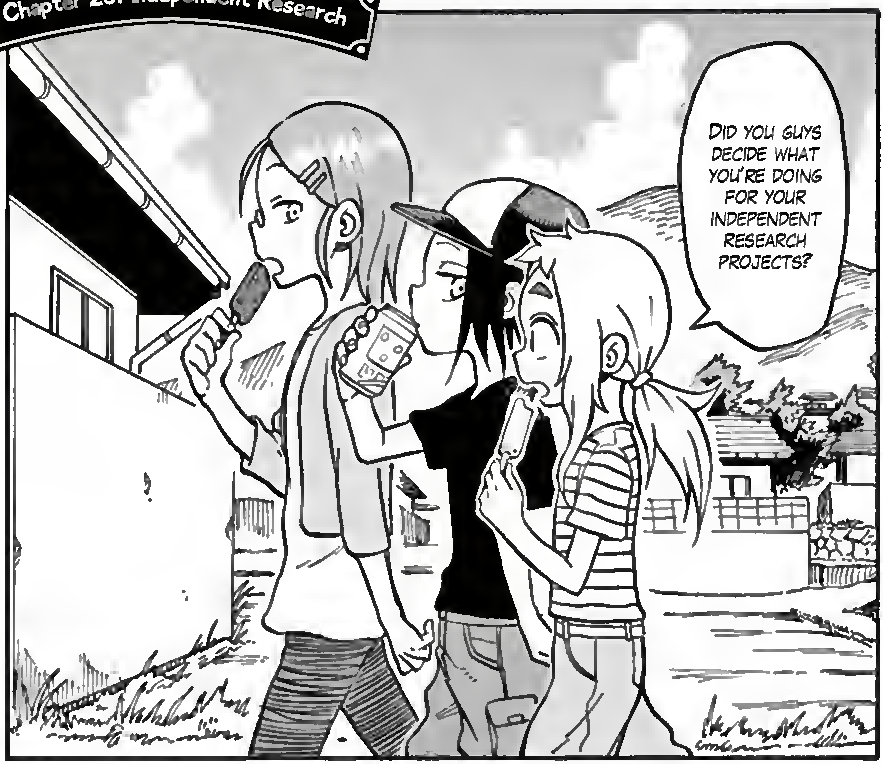
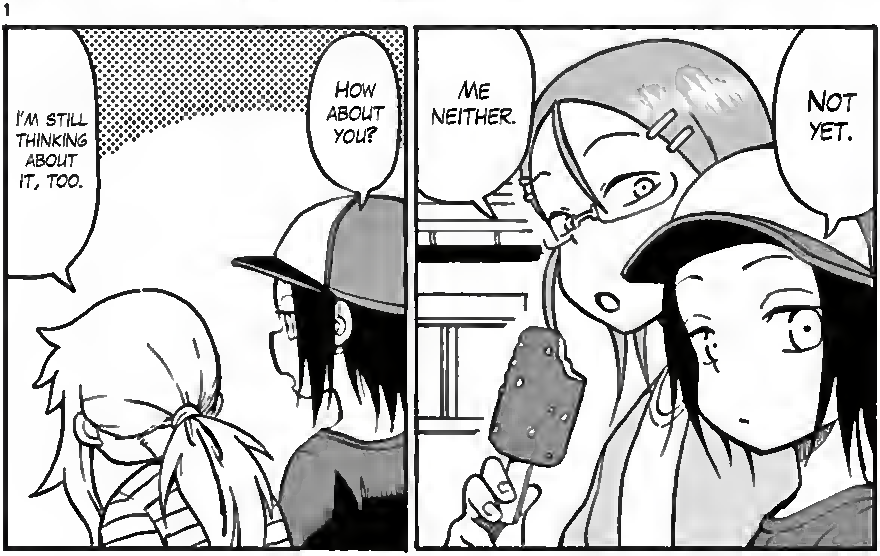
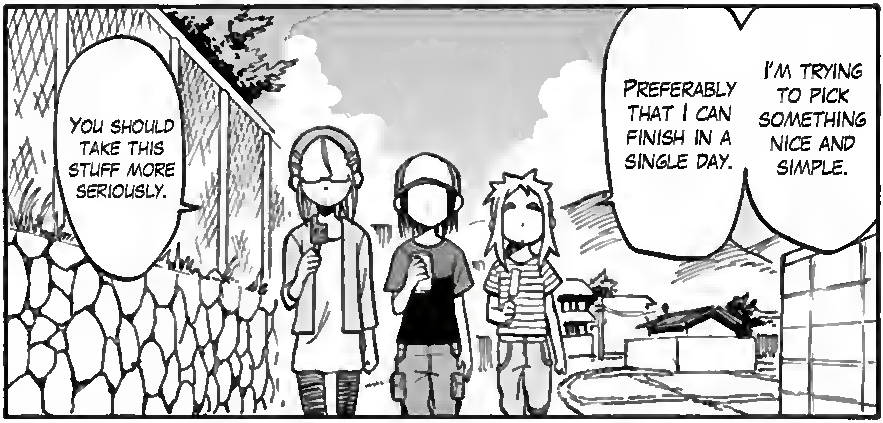
Chapter 20: Independent Research

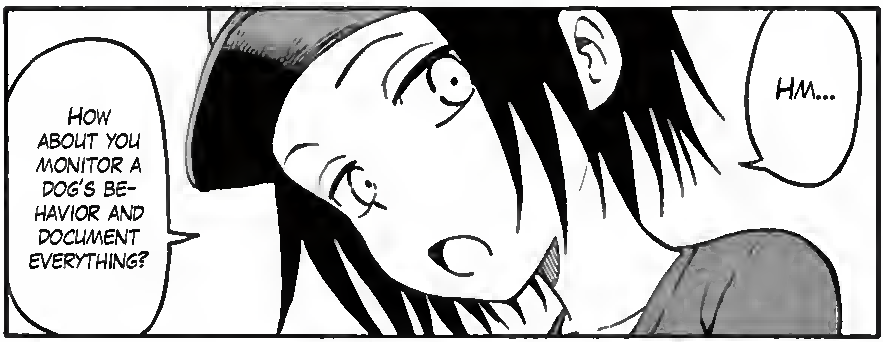


1





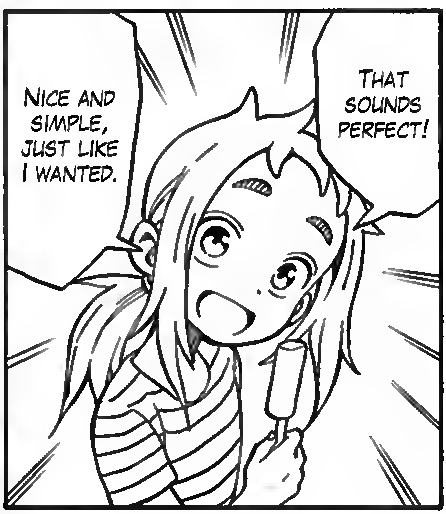
I'M TRYING TO PICK SOMETHING NICE AND SIMPLE.
PREFERABLY THAT I CAN FINISH IN A SINGLE DAY.
YOU SHOULD TAKE THIS STUFF MORE SERIOUSLY.



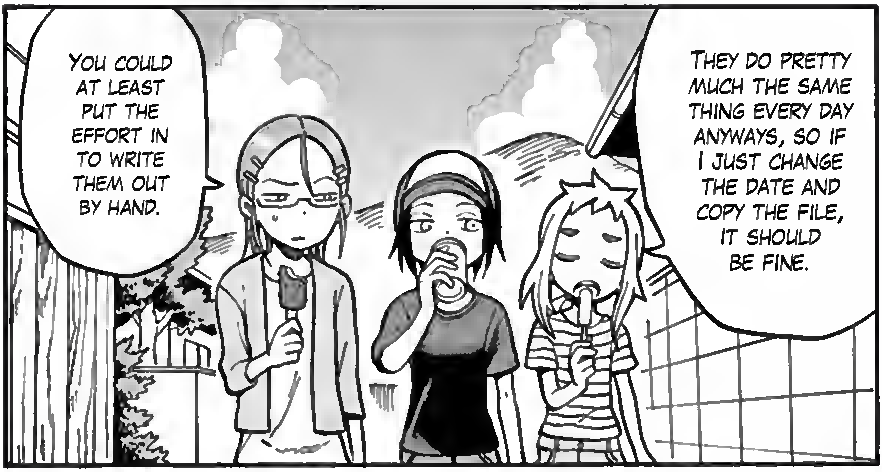
HM...
HOW ABOUT YOU MONITOR A DOG'S BE-HAVIOR AND DOCUMENT EVERYTHING?

2

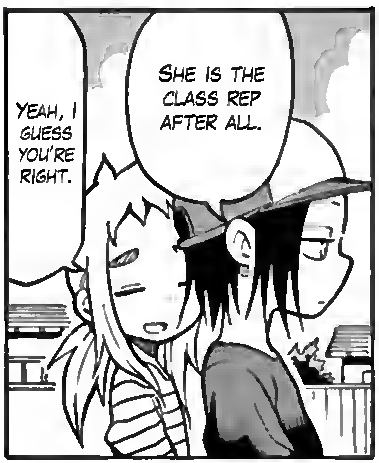
HOW CAN YOU DOCUMENT EVERYTHING IF THE SUMMER'S ALREADY HALF OVER?



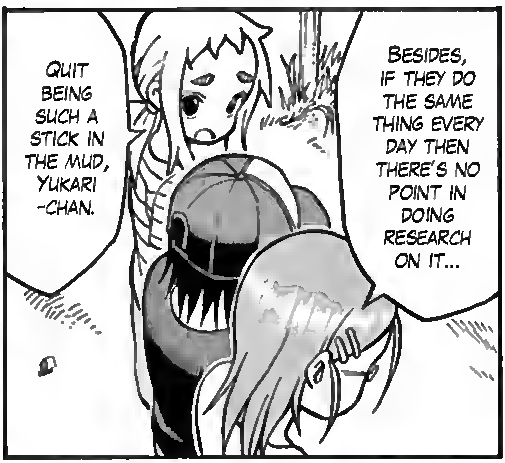
NICE AND SIMPLE, JUST LIKE I WANTED.
THAT SOUNDS PERFECT!



You could at least put the effort in to write them out by hand.
They do pretty much the same thing every day anyways, so if I just change the date and copy the file, it should be fine.

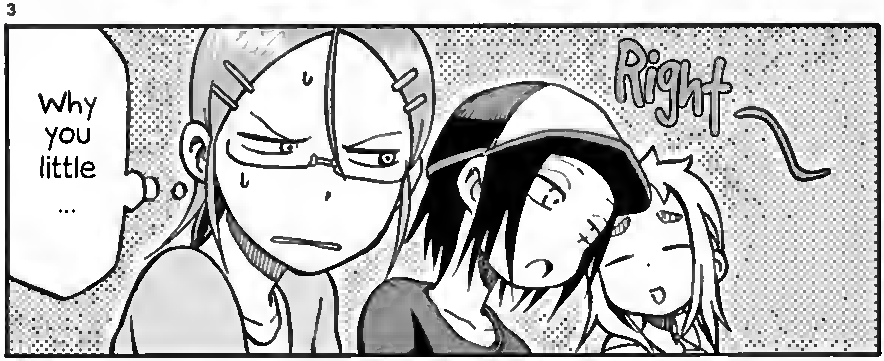


She is the class rep after all.
Yeah, I guess you're right.

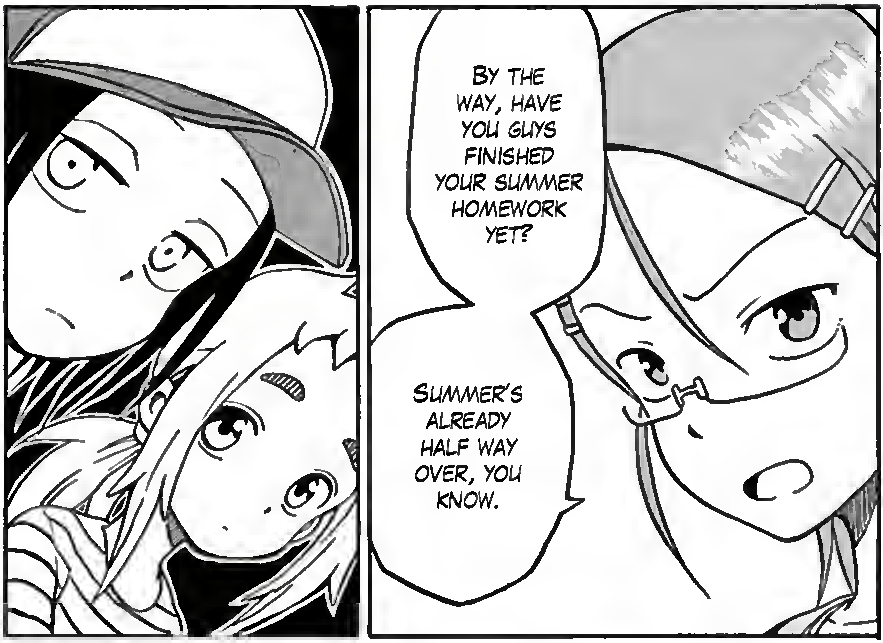


Quit being such a stick in the mud, Yukari -chan.
Besides, if they do the same thing every day then there's no point in doing research on it...

3

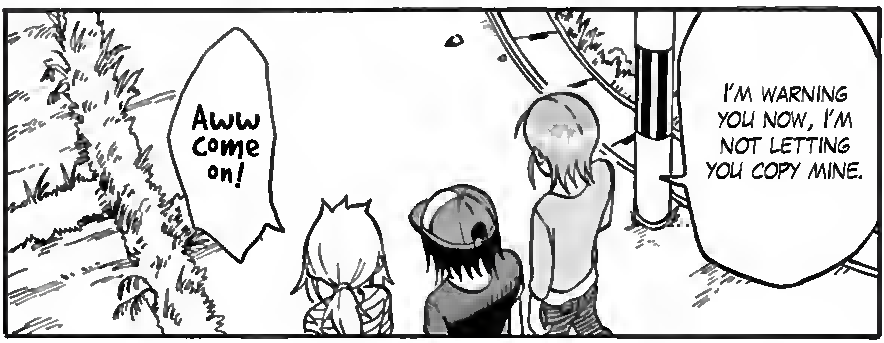


Why you little ...
Right



BY THE WAY, HAVE YOU GUYS FINISHED YOUR SUMMER HOMEWORK YET?
SUMMER'S ALREADY HALF WAY OVER, YOU KNOW.
Hah~
YEAH, SUMMER'S ONLY HALF WAY OVER.

4



Aww come on!
I'M WARNING YOU NOW, I'M NOT LETTING YOU COPY MINE.

She is the class rep after all.
Oh well, even if she says she won't, we know that she'll cave at the end and let us copy her's.
The stuff with the dogs?
Thanks but no thanks.
Let us copy yours! I'll do your independent research project for you if you do.
5
Maybe I should observe these two and report my findings for my independent research project .
Right
